Your well-being is our priority

Your well-being is our priority

Camping Provence Vallée and its team have put in place a set of sanitary measures to protect you against COVID-19.

Your well-being has always been our priority, which is why we have, in collaboration with Flower Campings, implemented various sanitary protection measures in order to fight together against the spread of COVID-19. Our teams have been aware of the need to respect the barrier gestures and to ensure their application. The campsite has made available for its customers, a set of means to prevent the risk, however in a place of community life, it is important that everyone faces proof of civic-mindedness.

Details of health measures

Your arrival at the campsite - Reception

The access to the reception, will be limited to one person, a Plexiglas of protection has been put in place on the counter and hydro-alcoholic gel will be at your disposal. Contact surfaces will be disinfected after each use.

Loan books will be put aside for 3 days before being available for loan again.

Ping-pong rackets and petanque balls will be disinfected before being loaned to you. For any request during your stay do not hesitate to contact us by email or by SMS at 0033 6 84 08 91 33.

Lodgings

Your rentals will be disinfected during a meticulous cleaning with a certified biological bactericidal and non-allergenic product. Bed protectors will be replaced between each client. Finally, a total disinfection by fumigation (biological and non-toxic product) followed by a ventilation of the rental, will be carried out after the intervention of our cleaning team.

An SMS will be sent to you as soon as your rental is ready to avoid clogging the reception desk on arrival days. The handing over of the keys and the accompaniment to your accommodation will be done in the respect of the barrier gestures without entering the rental.

Collective sanitary facilities

As our sanitary facilities are open, the premises are permanently ventilated. Several hydro-alcoholic gel dispensers will be at your disposal. Disinfecting wipes will be available so that everyone can freely disinfect contact surfaces before use (WC, door knob, shower and washbasin).

Finally, the sanitary facilities will be cleaned and disinfected twice a day, from 5am to 8am and from 1pm to 4pm.

The Swimming Pool

Hydro-alcoholic gel will be at your disposal as well as disinfecting wipes so that everyone can disinfect their deckchair before use. You will be asked to respect the social distance. As the pool is treated with Chlorine there is no risk of transmission in the water. We will ask you to respect the distances for access to the waterslide.

BAR, CATERING AND ENTERTAINMENT

The catering service will be provided by Food Trucks respecting the sanitary measures for take-away sales.

Animations will be adapted and all sanitary precautions similar to those in schools will be implemented.

The playground and the inflatable structure will be disinfected several times a day and a hydro-alcoholic gel dispenser will be available.
